INTERCLUB 2022

Recently our club participated in The Federation of Camera Clubs (NSW) Interclub competition.

Each Club selects images from their Members to represent their Club. The Images are then judged by a panel of 3 judges and each judge gives a score out of 5. Those scores are added together to give the final score out of 15. You will see the individual image score represented in this catalogue.

This is an incredibly tough competition and our Club is competing with Internationally recognised Clubs and Photographers.

I am incredibly proud of our results in each section. The quality of images in this competition was amazing and the acceptance rate was quite high with most sections being set at a score of 10!

I am looking forward to selecting and submitting our Images in 2023!!! Congratulations CCLC Camera Club!!!
