

Welcome to our Club! And thank you for visiting us.

Our mission is to encourage and inspire all photographers.

For over fifty years we have served the interests of photographers ranging from those wishing to improve their skills and enjoy their hobby more, to those hoping to succeed in competitions.

We are one of the many 'interest' clubs supported by the Central Coast Leagues Club.

Our meetings are held in the Parkview Room of the Central Coast Leagues Club, the first and third Tuesday of the month, from February to November. Meetings start at 7.30pm, however we do start to gather around 7.10pm to start getting things set up. Our last meeting of the year is our Awards Night on first Tuesday of December.

Workshop/Speaker nights are the first Tuesday of every month. We choose interesting topics and create opportunities to practice your skills, learn from others and find a mentor to support your photography journey.

Evaluation nights are the third Tuesday of every month. Join the beginners, skilled artists, professionals, award winners and accredited judges represented at our Evaluation evening sessions to learn about what makes a great photo. Judges give great guidance and help us to understand topics like composition, exposure, contrast, and the many fascinating aspects of creating award-winning images.

Social We also hold regular outings and social get togethers to use our cameras and get to know each other better. Dates and times vary.
